Kate,

You were right. Those were double sided pages. We will copy and fax you the missing pages. Sorry about that. Also, I have word from PMC that they apparently do have available separate financial statements for each year, except for 1999 which they do not have on hand at the moment. They will get that one from the accountants and send me the set to forward on to you.

Let me know of any other glitches or questions that may arise. Thank you for your consideration of the material.

Don
